Does my opinion really count?

1 part *Metropolitan Planning Organization*

1 part *The Citizens of Hillsborough County*

The citizens of Hillsborough County working hand-in-hand with the *Metropolitan Planning Organization* to achieve our transportation goals is truly a recipe for transportation planning success. You can influence the future of transportation in Hillsborough County. An efficient and effective transportation system is critical to all forms of movement with the region. A balanced transportation system provides options for the movement of people and goods through the use of automobiles, trucks, airplanes, motorcycles, bicycles, sidewalk, buses and other forms of transit.

The transportation system is here to serve you. We encourage you to get involved in the transportation planning process. The best ideas for improvements often come from you, the citizen. *You are an important part of the planning process, and your opinion really does count.*

These *Recipes for Transportation Planning Success* were designed to give you a better understanding of *The Joys of Looking Ahead to 2025* and how you can get involved in the decision-making process and have a positive impact on the future of transportation in Hillsborough County.
