# We Value Your Opinion!

The completed Long Range Transportation Plan (LRTP) Update will list transportation projects that are planned to be in place by 2025. This newsletter contains the draft of the Cost Affordable lists of highway, public transit, sidewalk and bikeway/trail projects that we recommend should be included in the 2025 Transportation Plan for Tampa, Temple Terrace, Plant City and unincorporated Hillsborough County.

*Do you agree or disagree with the projects chosen so far?*

*Is there a Cost Affordable project that you do not want built?*

*Is there a project that is not on the Cost Affordable list that you strongly feel should be?*

*Is there an opportunity to improve mobility in Hillsborough County that we have not yet considered?*

Please review each map and suggested Cost Affordable list and comment in each section. **Thank you!**
